FOOTPRINTS

'67

Editor — Mary Staat

Business Manager — Bob Sikkell

"I am of old and young, of the foolish as much as the wise,
Regardless of others, ever regardful of others,
Maternal as well as paternal, a child as well as a man,
Stuff'd with the stuff that is coarse and stuff'd with the
stuff that is fine. . ."

— Walt Whitman

(Excerpt from "Song of Myself," by Walt Whitman)

MR. MARINUS POTT

DEDICATION

There is a special sort of shadow reserved for tall men. Because it does not reflect physical height, it is light and brilliant instead of darkly opaque. Such a shadow does not fall upon steps and sidewalks, but into the lives of those who tread them. The 1967 FOOTPRINTS is dedicated to a tall man; tall in terms of what he is and how he affects us as students.

Because he has taught us to speak boldly as men and women, and Christians; because of the light he sheds on Literature, and the inspiration he brings to the Senior Play; we, the Senior Class dedicate the 1967 FOOTPRINTS to Mr. Marinus Pott.

IN APPRECIATION

To all the members of the faculty who, each in his or her own way helped shape unique memories of Holland Christian. Through all our many and varied activities we got to know our sponsors in a special way; not only as teachers, but as personal friends. The results of their countless hours of patient guidance, a reflection of them as teachers and persons, will remain undimmed while mere days and scenes fade in our thoughts.

In Memoriam

WESLEY VANDEN BRINK

Dec. 16, 1948-May 19, 1965

SUNDAY SEA GULL

*Flying back and forth through the air,
Flowing up and down in the wind ,
Fleeing from fret and care,
The gull on no one must depend.*

*The gull fighting a mighty gale,
Trying to reach his destined place,
After this toil, will turn tail
And with the speeding wind race.*

*There goes one now, gliding in the breeze;
Now he is lighting on a wave's white crest;
Performing skillful turns with ease,
Much better than I could, I must confess.*

VIP

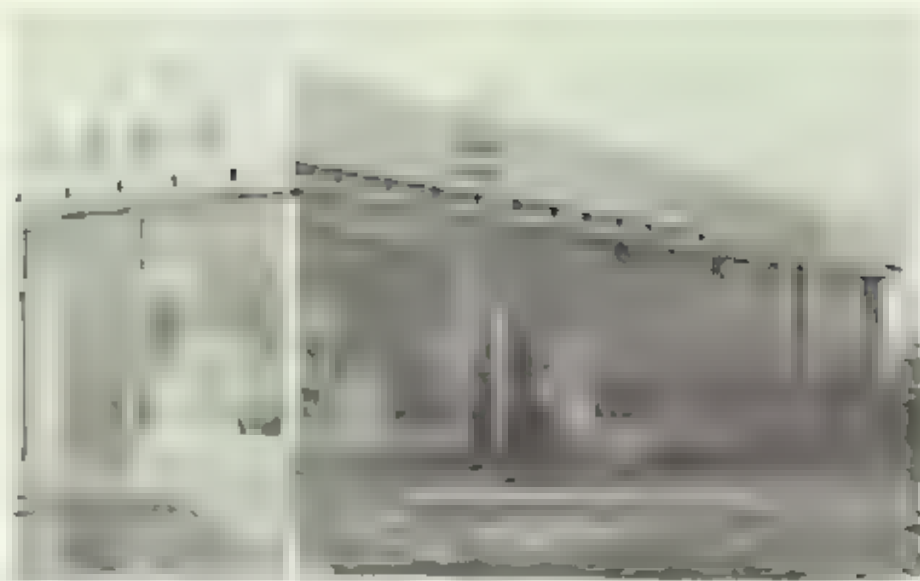

(VERY IMPORTANT PERSON)

We mean the long distance operator. In her skillful hands lies the responsibility of completing many emergency, defense and business calls.

For those of you interested in a worthwhile career after Graduation, it's not too early to start planning. A position with Michigan Bell means good pay, opportunity for advancement and excellent working conditions.

Why not follow the example of Anne Hoekstra, a 1966 graduate of Holland Christian and drop in at our Employment Office to see about becoming a "Very Important Person?"

In leaving Holland Christian High — an essence, a place, a student body — may we as Seniors, Underclassmen, and Faculty move forward in faith: until things which seem dark and empty become clear and discernible.

The FOOTPRINTS staff would like to give special acknowledgement and thanks to the following:

Mr. John de Vries of de Vries Studios

Mr. Don Van Huis of Steketee-Van Huis

Mr. Don Richmond of Richmond Studio
